

iMag Pro II

The ID TECH iMag Pro II is a magnetic stripe reader for all Apple Lightning connector devices: iPhones and iPads. Use your mobile device to read a variety of magnetic stripes including credit cards, signature debit cards, gift cards, loyalty cards, drivers licenses, and ID badges. The iMag Pro II utilizes ID TECH's proven MagStripe reading technology, providing bi-directional card reading of up to three tracks of information. With a guaranteed operating life of at least 100,000 card swipes, the iMag Pro II offers exceptional card reading capabilities in a durable form factor.
